The Art Hotel Lagos Host The Design Table at Lagos Fahion Week 2025

The Art Hotel Lagos was delighted to host The Design Table during Lagos Fashion Week 2025. Organized by So.Me Solutions in partnership with Chika Uwazie, the event brought top designers, stylists, editors, and diaspora creatives together for an intimate showcase and conversation on the future of Nigerian fashion.

Held at Mist Restaurant, guests enjoyed presentations from NITÉMI, Gelalli, Mai Atafo, and Lanre Da Silva Ajayi—each highlighting the beauty, craft, and innovation shaping African fashion today.

By hosting this gathering, The Art Hotel continues to support creative excellence and strengthen our role as a hub for culture and design in Lagos.

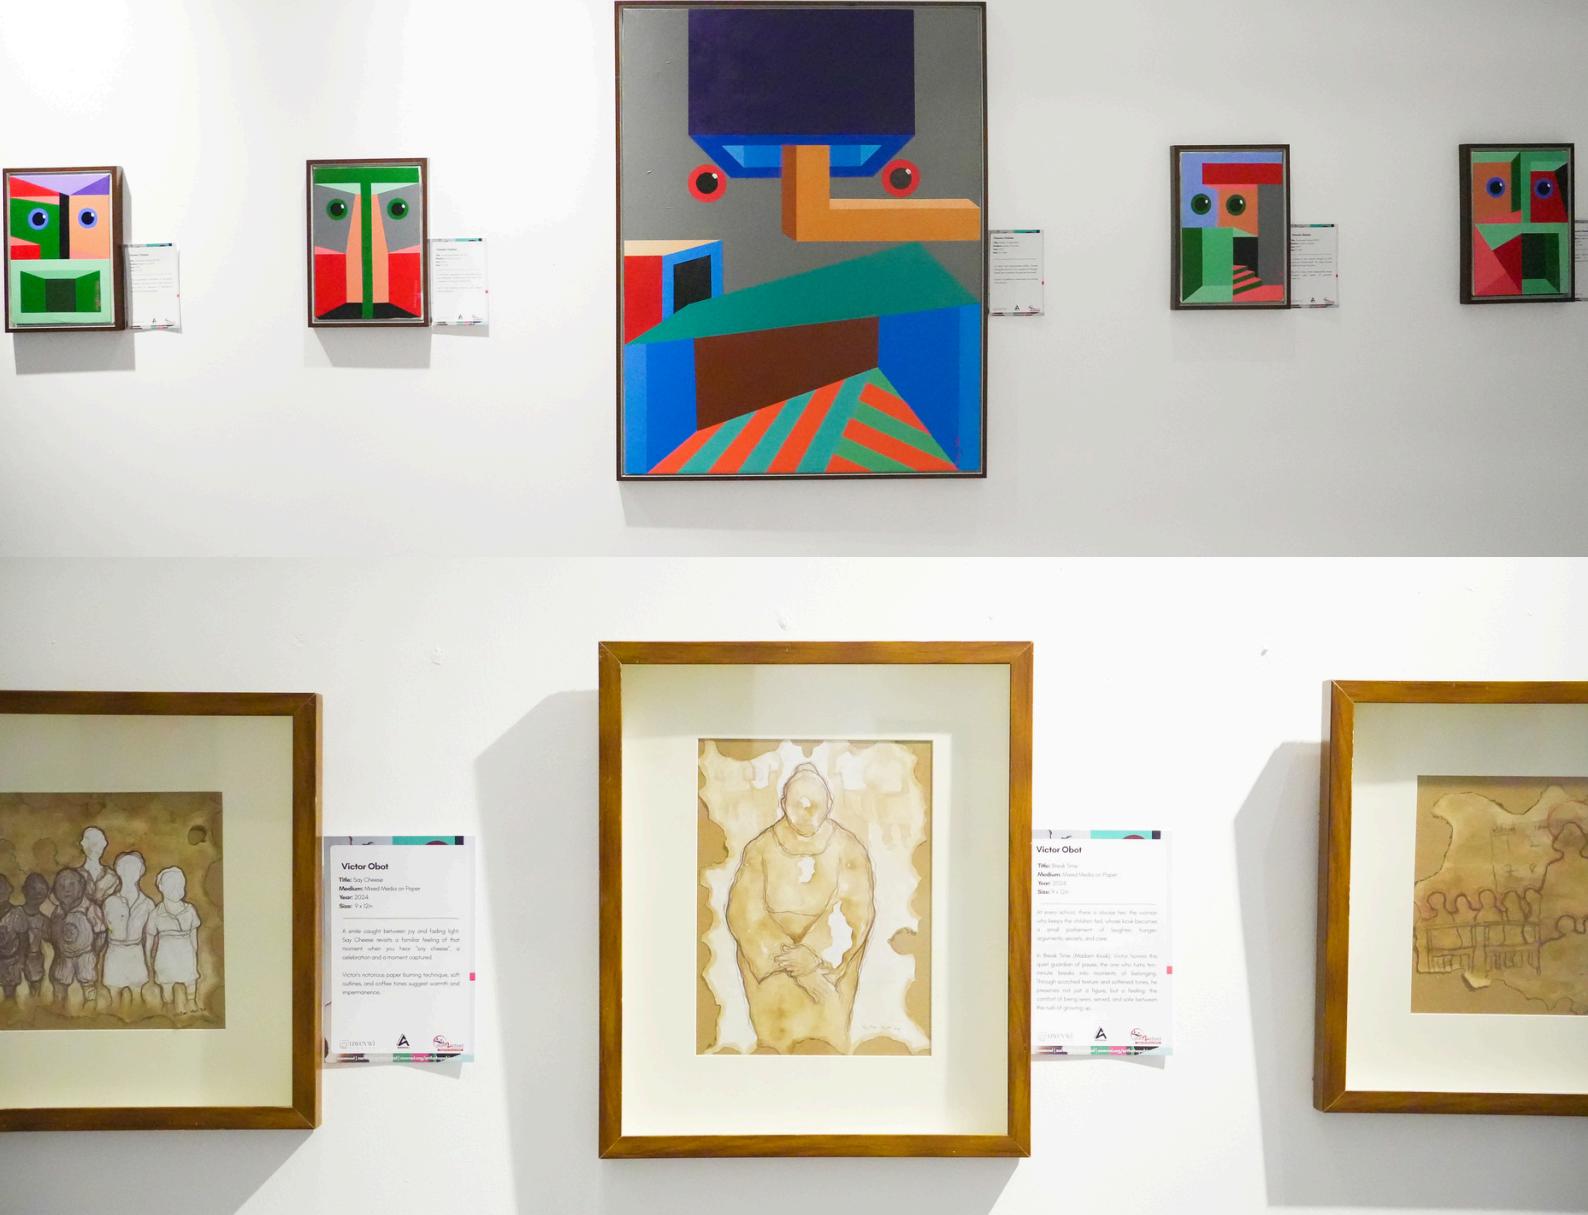

The Art Hotel Lagos Co-sponsor Polo Training Session with Lagos Polo Club

The Art Hotel Lagos proudly co-sponsored the Lagos Polo Club Training Session, further strengthening our longstanding relationship with the club. As part of the collaboration, The Art Hotel provided branded training bibs and essential gear used throughout the session, ensuring a seamless and professional experience for all participants.

We were also delighted to host Mario, the international trainer leading the program, offering him the comfort and hospitality that define The Art Hotel experience. Our continued partnership with the Lagos Polo Club reflects our commitment to supporting excellence, community, and the spirit of sport in Lagos.
