Room Highlight:
The Emperor Suite

This month, we shine a spotlight on The Presidential Suite, our most distinguished accommodation at The Art Hotel Lagos, designed for guests who value space, privacy, and elevated comfort.

A unique feature of the Emperor Suite is the availability of an adjoining extra room on request, offering additional space and flexibility for families, private guests, or accompanying team members.

Every detail of the Emperor Suite is curated to deliver comfort, exclusivity, and a truly memorable stay.

Mist Restaurant Food Highlight

This month, we spotlight a curated selection of dishes from Mist Restaurant at The Art Hotel Lagos, celebrating the artistry and flavour behind every plate.

Each dish reflects our culinary team's commitment to quality, presentation, and taste, blending local inspiration with continental finesse. From beautifully plated starters to indulgent main courses and carefully crafted desserts, every meal at Mist is designed to be both a visual and gastronomic experience.

Easter Sunday Brunch Buffet

In April, we hosted the Easter Sunday Brunch Buffet, welcoming guests to a beautifully curated celebration of the season.

The experience featured an abundant selection of local and continental dishes, freshly baked pastries, refreshing beverages, and indulgent desserts, all served in a warm and vibrant atmosphere.

Families and guests came together to share meaningful moments within the elegant setting of the hotel, enjoying a relaxed dining experience that reflected the spirit of Easter.
