Start your Morning at The Mist Restaurant

Begin the day with a freshly prepared breakfast, served daily in the restaurant's calm and inviting setting.

Whether you're staying with us or simply stopping by, breakfast at Mist is a reason to start the morning a little slower.

A Table at The Mist

At The Art Hotel Lagos, dining is part of the experience.

Located on the first floor, Mist Restaurant brings together refined dining, a relaxed atmosphere and views of the city. From leisurely breakfasts to business lunches, intimate dinners and cocktails, Mist offers a setting for every occasion.

AAMI – Art Exhibition

Last month, The Art Hotel Lagos hosted Aami, an exhibition by Nigerian artist Faith Omole.

Created through symbolism, the works explore ideas of identity, perception and expression, inviting viewers to look beyond the surface and find their own meaning within each piece.

Aami was a moment of art, interpretation and connection — bringing Faith Omole's visual language into the gallery at The Art Hotel Lagos.

Discover art. Experience the unexpected.

A Space for Business

From boardroom meetings to conferences, presentations and corporate gatherings, Empress Hall is designed to adapt to the needs of every occasion.
